

22 FEBRUARY, 2024
Virtual on Zoom
9-11 AM ET /15:00-17:00 CET

**JOIN US FOR THE FIRST
MICRO-MESO-MACRO-META SYSTEM INTERNATIONAL GATHERING!**

Hosted by Jönköping Academy (Sweden) and the Institute for Excellence in Health and Social Systems at the University of New Hampshire (US)

Aim: Discuss microsystem fundamentals and explore expansion to meso, macro and meta systems. Compare and contrast the relationships between micro, macro, meso and metasystem in different international contexts. Identify teaching materials and constructs along with evaluations.

Please share this invitation with friends and colleagues!

[RSVP HERE BY 15 FEBRUARY, 2024](#)

Pre-work:

-Chapter 10 (more info to come)

-Think about a mesosystem or a pathway you want to learn more about to lead innovation and improvement.

RSVP for prework, calendar invitation and Zoom link.
