“If you have ever only thought once about going abroad - don't hesitate, just do it”

Klara Hermann

former exchange student at JU from University of Technology Graz, Austria

WHY DID YOU CHOOSE TO GO ON EXCHANGE?

The main reason I went abroad was to see my studies in a different way. When studying you cannot only get the context of your home country and mothertongue, in my opinion, it is also about learning more from students from other backgrounds and seeing a different context.

WHAT IS THE BEST ABOUT JÖNKÖPING UNIVERSITY?

I would say the best thing about JU is, that

you will meet many people from other countries and continents. I have never met so many different international people before.

WHY WOULD YOU RECOMMEND OTHER STUDENTS TO GO ON EXCHANGE (AND TO JU)?

If you have ever only thought once about going abroad - don't hesitate, just do it! We, as students, have this great possibility and we should use it as long as we can.
