

Short Quick Reference Guide for registration

- Before you register, you should check if the publication is already registered in DiVA: <http://hj.diva-portal.org/smash/search.jsf?rvn=1>
- To begin the registration: <https://hj.diva-portal.org/dream/login.jsf>
- Log in with your user account and password. Click "Add publication / Upload files", then select what type of publication you want to register. See below which fields are important to complete.
- **Note!** When you register earlier publications, written / published when you were working at another university, do not add to your current affiliation but the affiliation applicable at the publication's inception.
