

JÖNKÖPING UNIVERSITY

Dear future JU student,

Congratulations! As you should have been informed by now, you have been offered a place of study at the Pathway Programme at Jönköping University. I realize that this is a major and important step in your life, and I believe that you have made the right decision in choosing Jönköping University to prepare yourself for a career and future employability.

Jönköping University is characterised by focused profiles internationalisation, an entrepreneurial spirit and collaboration with the surrounding society. We are one of Sweden's leading universities in the area of internationalization, having around 10 000 students representing 80 countries studying at our schools.

As a student in the Pathway programme you will be living and studying in the beautiful town Gränna, situated 40 km north of Jönköping. The campus is located in the centre of Gränna with modern teaching facilities within walking distance from student accommodation.

Some of the education will take place at Campus Jönköping which is situated right in the centre of Jönköping, close to everything that the city has to offer. Jönköping is one of Sweden's ten largest cities and is also one of the most beautifully situated at the juncture of three sprawling lakes.

Over the next few months, you will receive a lot of information from us to ease your arrival to Sweden, Jönköping and Gränna. Please read the information carefully, and if you have any questions, contact Tomas.Bengtsson@ju.se, and he will try to answer those questions.

I want to give you my warmest welcome to Jönköping University and I look forward to meeting you when the semester starts!

Hanna Ståhl,
Managing Director Pathway Programmes
