Type of instruction

The course is conducted in the form of lectures and seminars.

The teaching is conducted in English.

Prerequisites

General entry requirements. Passing grades in courses of 30 credits in the main subject including Scientific Course, Introduction to Research, 7,5 credits or equivalent. For students enrolled in School of Health Sciences' partner universities, eligibility requirements of their respective institutions apply in accordance with the above qualifications (or the equivalent).

Examination and grades

The course is graded A, B, C, D, E, FX or F.

The examination will be based on an individual or a group examination paper.

Grades will be awarded upon completion of the course. The following grades are awarded according to the ECTS Grading Scale: A/Excellent, B/Very good, C/Good, D/Satisfactory, E/Sufficient, FX/Fail, F/Fail (for a further definition of the ECTS Grading Scale, see the appendix on general regulations).

A university lecturer serves as the course examiner.

Registration of examination:

Name of the Test	Value	Grading
Examination	7.5 credits	A/B/C/D/E/FX/F

Other information

Attendance requirements:

Attendance is compulsory at scheduled classes, seminars and field studies.
