Undervisningsformer

The teaching consists of lectures, seminars and exercises performed individually or in groups. A digital learning platform is used.

Students who have been admitted to and registered on a course have the right to receive instruction/supervision for the duration of the time period specified for the particular course to which they were accepted. After that, the right to receive instruction/supervision expires.

Undervisningen bedrivs på engelska.

Förkunskapskrav

General entry requirements and 45 credits in Media and Communication Science or equivalent. English proficiency is required. Exemption is granted from the requirement in Swedish.

Examination och betyg

Kursen bedöms med betygen A, B, C, D, E, FX eller F.

The grades A, B, C, D and E are all passing grades. For courses with more than one examination, students are given a final grade based on an overall assessment of all examinations included in the course. The final grade of the course is issued only when all course units have been passed. The examination is based on instruction and course literature.

The examination must allow for students to be assessed on an individual basis. Students may not make a second attempt at any examination (or element of examination) already passed in order to receive a higher grade. Further information concerning assessment and grading criteria is provided in a study guide distributed at the beginning of the course.

Students are guaranteed a minimum of three examination occasions, including the regular occasion. If a student has failed the same examination three times, the student is entitled to request that the next examination is assessed and graded by a new examiner if possible. The decision to accept or reject such a request is made by the vice dean of education.

In case the course is terminated or significantly altered, examination according to the present course syllabus shall be offered on at least two occasions in the course of one year after the termination/alteration.

For this course, the examination is based on:

- Three mandatory workshops (ILOs 1,4) (below named laboratory assignments)
- Group presentation (ILOs 1,3,5)
- Individual written assignment 1 (ILOs 1,2,3,6,7)
- Individual written assignment 2 (ILOs 1,4)
- Seminar (ILO 6)

You will need an E on every assignment to pass the course. You will need 4 credits with higher

grades (A, B), to get higher grades (A, B) on the course as a whole.

Poängregistrering av examinationen för kursen sker enligt följande system:
