Förkunskapskrav

General entry requirements and 30 credits in Business Administration or Psychology including organizational theory, or the equivalent. English proficiency is required. Exemption is granted from the requirement in Swedish.

Examination och betyg

Kursen bedöms med betygen A, B, C, D, E, FX eller F.

The learning outcomes forms the basis for the structure of teaching, the composition of the course literature and the design of the examination.

The examination must allow for students to be assessed on an individual basis.

The course is examined by one oral group examination, one written group assignment and one individual written examination. Students may not make a second attempt at any examination (or element of examination) already passed in order to receive a higher grade. Further information concerning assessment and grading criteria is provided in a study guide distributed at the beginning of the course.

The grades A, B, C, D and E as well as G are all passing grades. Students are given a final grade based on an overall assessment of all examinations included in the course. The final grade of the course is issued only when all course units have been passed.

Students are guaranteed a minimum of three examination opportunities, including the main one.

If a student has failed the examination three times, the student is entitled to request that the next examination is assessed and graded by a new examiner if possible. The decision to accept or reject such request is made by the vice dean of education.

In case the course is terminated or significantly altered, examination aligned with the current course syllabus shall be offered on at least two occasions in the course of one year following the termination/alteration.

Poängregistrering av examinationen för kursen sker enligt följande system:

Examinationsmoment	Omfattning	Betyg
Oral group examination	0,5 hp	U/G
Written group assignment	2 hp	U/G
Individual written examination	5 hp	A/B/C/D/E/FX/F

Kursvärdering

At the end of the course, a course evaluation is performed and commented on by the course coordinator and, if possible, a student/students (course developer/s). The course evaluation,

which is published on the relevant learning platform and submitted to the study administration, is to function as a basis for future improvements to the course.
