Innehåll

- Research assignment
- Thesis work
- Current research and development work
- Central concepts, theories and methods
- Research ethics
- Reflexivity

Undervisningsformer

The teaching consists of supervision and seminars.

A learning management system is used.

Students who have been admitted to and registered for a course have the right to receive instruction/supervision for the duration of the time period specified for the particular course instance to which they were accepted. After that, the right to receive instruction/supervision expires.

Undervisningen bedrivs på engelska.

Förkunskapskrav

At least 17.5 credits from the master's program in Global Studies: Sustainable Societies and Social Change, including Research Methods I in Global Studies, 7.5 credits, or equivalent. English proficiency is required.

Examination och betyg

Kursen bedöms med betygen A, B, C, D, E, FX eller F.

The grades A, B, C, D and E are all passing grades.

The examination is based on the intended learning outcomes.

The course is examined through a thesis.

The examination must allow for students to be assessed on an individual basis. Further information concerning assessment of specific intended learning outcomes and grading criteria is provided at the beginning of the course.

To receive the final grade of the course, all elements of the course must have been passed. The final grade of the course is determined by the grade given to the thesis.

Students are guaranteed a minimum of three attempts to pass an examination, including the regular attempt.

If a student has failed the same examination three times, the student can request that the next attempt be graded by a new examiner. The decision to accept or reject such a request is made by the associate dean of education. A student may not make a second attempt at any examination already passed in order to receive a higher grade.

In case a course is terminated or significantly altered, examination according to the earlier syllabus shall be offered on at least two occasions in the course of one year after the termination/alteration.

Poängregistrering av examinationen för kursen sker enligt följande system:

Examinationsmoment	Omfattning	Betyg
--------------------	------------	-------

Magisteruppsats	15 hp	A/B/C/D/E/FX/F
-----------------	-------	----------------

Kursvärdering

The instruction is followed up throughout the course. A course evaluation is conducted at the end of the course. A summary and comments are published in the learning management system. The evaluation constitutes a basis for future improvements to the course.

Kurslitteratur

Relevant literature is chosen based on the thesis topic in consultation with the supervisor. The student has the main responsibility in this process.
