

BRILL OA Workflow

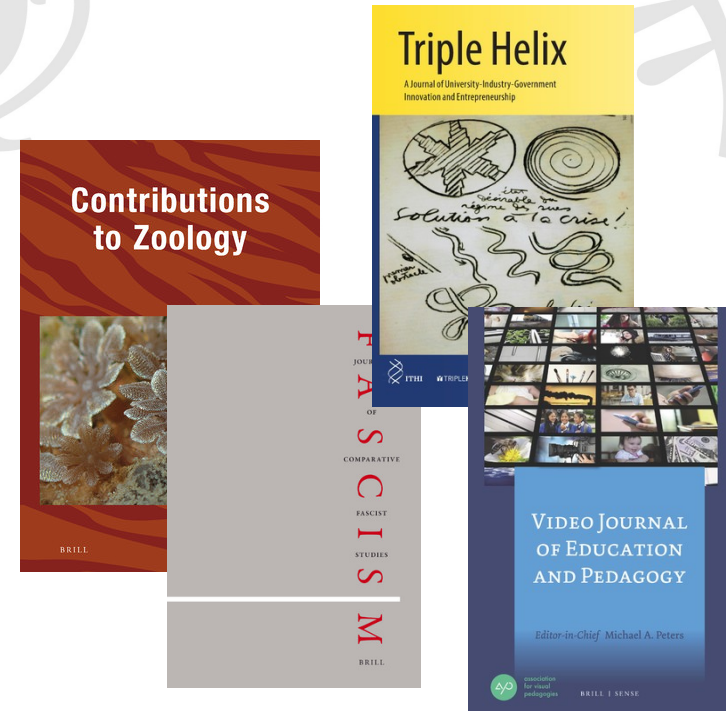

*Example workflow for a
Transformative Agreement*

Authors can publish in...

Hybrid journals

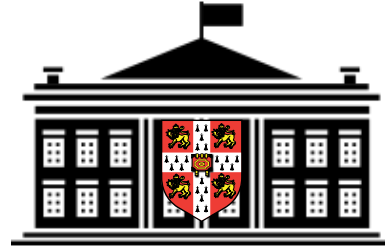

Full Gold Open Access journals

Parameters for eligibility

Research or review article

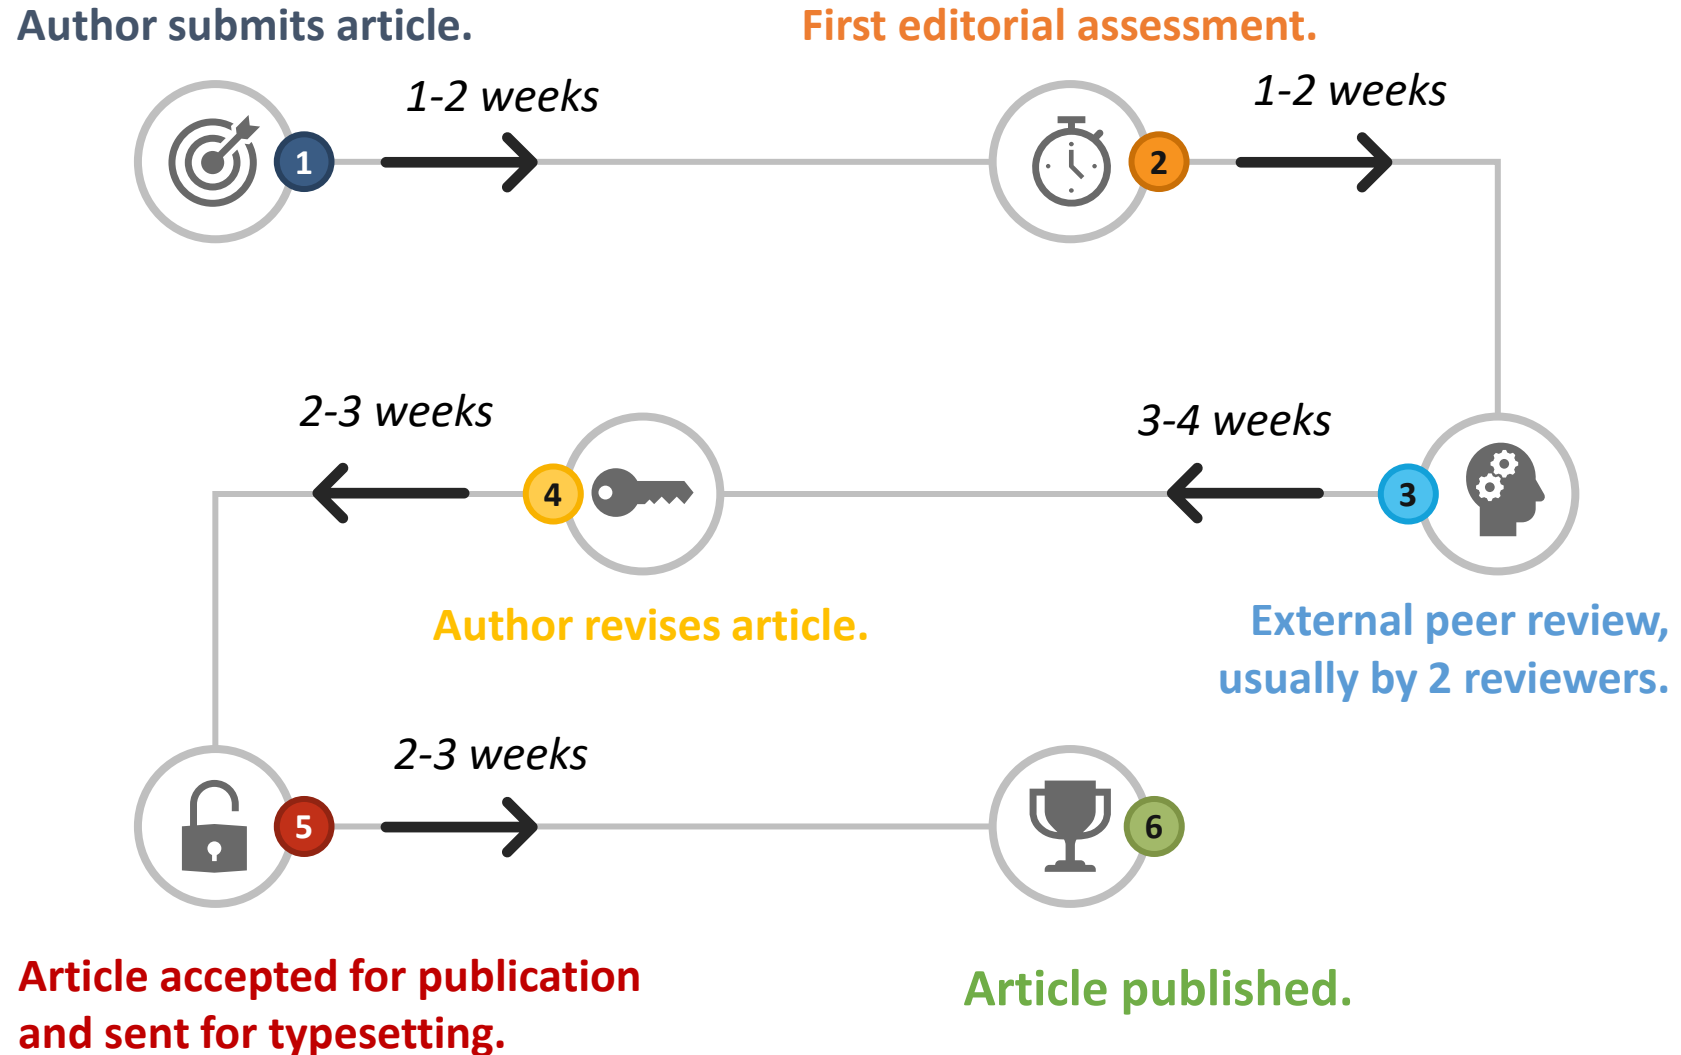

Author is affiliated with a
participating institution
at the **time of publication**

Author is the
corresponding author

Publication process

Identifying eligible authors

Author submits article.

- ☐ Mandatory **eligibility check**
- ☐ **Institutional e-mail** address
- ☐ **Institution name** and/or Ringgold ID
- ☐ Opportunity to **opt out**

Brill has an Open Access agreement with an increasing number of universities. If you are affiliated to any of these institutes, Brill will publish your **research or review article*** in Open Access free of charge if eventually accepted. [Please check here](#) whether you are eligible for **free Open Access publication**.

Is your institute listed? Then please select 'yes' as your answer below.

*Please note: book reviews are not eligible.

Answer
Required:

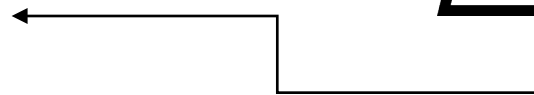

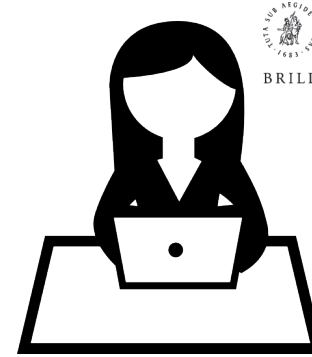

- ☒ Please select a response
- ☐ Yes
- ☐ No

Please select a response.

**Article accepted for publication
and sent for typesetting.**

☐ **Verification of eligibility** by Brill

Article published.

Article is published with
a **CC-BY license**
