Intended Learning Outcomes (ILO)

The Intended Learning Outcomes apply to the entire course.

On successful completion of the Pathway Life and Studies course, students will:

Knowledge and understanding

- Understand and communicate in situations occurring in daily life based on knowledge of surrounding society and cultural competence.

Skills and abilities

- Be familiar with different aspects of Scandinavian society and culture.

Judgement and approach

- Self and peer reflection on the development of skills and abilities.

- Critical evaluation of relevant information related to the different parts of the course.

Contents

The Life and Studies course aims to enable familiarity with society and academic life. Students will study and explore different aspects of society, such as culture, politics, history and traditions to build an understanding for the surrounding world. Students will also develop study skills, and improve their understanding of the academic community. The horizontal aim is to develop and strengthen student skills within higher education through group work, social engagement, peer learning, reflective learning and autonomous learning whilst developing intercultural communication skills, metacognitive skills, information literacy and critical thinking.

Course content and objectives include:

- Lectures and workshops
- Compulsory study visits and community service projects

Type of instruction

Lectures, workshops, tutorials and mentoring sessions, as well as seminars, group discussions, study visits and similar types of instruction. Active participation is required in seminars and
