

For those who have been admitted to
Visual Effects

Welcome to Jönköping University School of Engineering and Visual Effects at Campus i12 in Eksjö!

Accepting your place and registering for the first semester

You need to **accept this offer of admission before 28th July** in order to keep your place in the programme Visual Effects. If you miss to do that your place will go to another applicant. Go to **antagning.se** and carefully read the instructions on how to accept your place.

In this letter there is a **grey registration card** which you will be using to register yourself for the first semester. The registration will be accessible one week before the start of the programme and will be closing the day before it starts 21st August. Follow the instructions on the grey registration card to make sure you get registered properly.

When you register you will also create an account at JU and get a **JU email address**. This email address will be used to send information from JU and Campus i12 to you throughout the 2 years of study.

Accommodation

On our webpage campusi12.se/student/boende you can read more about living and accommodation through private landlords in Eksjö.

Welcome to Visual Effects,

First day, attendance and choosing your profile

We invite you to Campus i12 **Monday 21st August 2017 at 9 am** in the class room BRAGE, Campus i12, Kaserngatan 12B 4th floor in Eksjö.

Attendance on the 21st August is mandatory. If you are unable to attend you have to report this to the reception desk +46 381 361 20 or email info@campusi12.se.

On the 21st August you will receive a schedule and other useful information. Regular tuition, educational- and programme information will take place 21st-24th and on the 25th August the 2nd year students have a programme for you.

From the 21st August you are able to choose which profile you want to study throughout the 2 years, 3D visualisation or Digital compositing. You make your choice via Ladok, the same details you used to register on the programme. The course selection will close Friday the 25th August.

Sofia Delis, programme manager and Sofia Fransson, programme coordinator, will be available for further questions from 31st July.
