SWEDEN

Sweden is known for being a clean, beautiful country, covered with lakes and forests and inhabited by 10 million people who are generous, kind and friendly, if a bit on the quiet side. This is a country that is regularly cited as one of the top places to live in the world.

A COUNTRY OF INNOVATION

Lots of great innovations have originated here and many Swedish companies have grown as a result of this, for example Volvo, Ericsson, ABB, H&M and let’s not forget IKEA. Swedes have a talent for creative thinking and inventiveness too. For example, Skype and Spotify belong to the new generation of technological successes.

CLEAN, SAFE AND MODERN

It’s a beautiful country and the standard of living is high. Sweden has an incredible welfare system and healthcare. By international comparison, it is a prosperous country where wealth is evenly distributed. The citizens love and take care of nature and the environment, which is why their country is such a beautiful and clean place to live.

SUSTAINABILITY

Sweden is one of the global sustainability leaders and sees climate change as one of humanity’s greatest challenges. Sustainability is at the heart of Swedish customs and values with Greta Thunberg as a world-known and famous spokesperson for these challenges. With her strong mindset she increases the awareness of climate change among people all around the world. “If not now, when?”

EQUAL AND DIVERSE

Sweden is well-known for its inclusiveness and equality and is often cited as a country that is way ahead of the curve in terms of gender equality and LGBTQ rights. Due to high rates of immigration and an influx of employees from other parts of the world, Sweden, especially in urban areas, has become highly culturally diverse. It is a secular country but tolerant towards all religions and faiths.

RICH IN ARTS AND CULTURE

Sweden is a powerhouse in the fields of design, fashion, music, film and literature. It is the biggest exporter of pop music in relation to GDP, boasting international acts such as First Aid Kit, Robyn, Zara Larsson and the late Avicii. There are plenty of ways to get involved in arts and culture, from singing in choirs, to seeing plays, gigs and concerts and visiting museums up and down the country.

“Studying at JIBS has been the best experience! It’s culturally diverse there.”

An Thuy Nguyen
Former exchange student from Royal Melbourne Institute of Technology, Saigon South, Vietnam

WHY DID YOU CHOOSE TO GO ON EXCHANGE?
I wanted to live and learn in a different culture. The good thing about coming to JIBS is that there are a lot of international students, which means the exchange of culture isn’t just with Swedish people, but with those from many other countries as well.

WHAT IS THE BEST THING ABOUT JIBS?
Studying at JIBS has been the best experience! It’s culturally diverse there.

I had a wide range of courses to choose from as so many are delivered in English. The staff there is very supportive and friendly to international students, and the lecturers are so enthusiastic and always encourage students to develop critical thinking.

WOULD YOU RECOMMEND EXCHANGE STUDIES TO OTHER STUDENTS?
Yes, definitely. Besides the many studying options, the university provides excellent services to support international students in various stages of the exchange application, especially the pre-departure process. Jönköping University also offers an accommodation service, so international students like me don’t have to worry about finding a place to live. So, it was pretty easy and thanks to JU I didn’t worry so much before coming here or during my stay. I had a wonderful time here in Sweden!

INDUSTRY CONTACT
Contact with industry is an important part of our education in order to ensure that what you learn is anchored in reality. We have many partnerships with leading companies such as Saab, Volvo, Kongsberg Automotive, Fagerhult, Sandvik and Husqvarna Group.

“IT IS EASY TO MEET NEW PEOPLE”
Patricia Alonso Muela
former exchange student at JU from Escuela Técnica Superior de Ingenieros Industriales (ETSII), Universidad Politécnica de Madrid (UPM) Spain.

WHY DID YOU CHOOSE TO GO ON EXCHANGE?
I wanted a unique experience that improved my language skills, made me more independent and opened my mind to a new culture and a new way of working.

WHAT IS THE BEST THING ABOUT JÖNKÖPING UNIVERSITY?
It has to be the international environment and the student life – there are lots of student associations and activities to do, which makes it easy to meet new people.

Also, the facilities here are amazing: the library, the student restaurants, the computer labs. Everything is open 24/7: JU has done a great job with their computer system here, you can log on and work anywhere on campus.

WOULD YOU RECOMMEND EXCHANGE STUDIES TO OTHER STUDENTS?
Yes, I would, and I would especially recommend JU as I felt more comfortable with the learning system there and their grading system was also more practical than the one in Spain. Furthermore, JU has a career centre that can help with your CV and prepare you for job interviews. It’s a good idea to come here for your final year of studies, so that you can get ready for setting out on your future career!

A PLACE TO GET INSPIRED
Students describe their study environment as both welcoming, inspiring and dynamic. Here, teachers and students have a close working relationship, and there is always room for discussion. Education, communication, relations, dialogue and creativity are words that describe both the educational programmes and the school’s way of working.

SCHOOL OF EDUCATION AND COMMUNICATION

PHILIPPINE LE JALÉ
former exchange student at JU from Deakin University, Australia

“YOU’LL MAKE GREAT FRIENDS AND DISCOVER BEAUTIFUL PLACES”

WHY DID YOU CHOOSE TO GO ON EXCHANGE?
Having lived in different countries all my life, I was eager to discover a new culture. This is a lifetime experience and such a learning curve for everyone.

WHAT IS THE BEST THING ABOUT JÖNKÖPING UNIVERSITY?
JU is a great university and with all its international students and they know how to make you feel at home. They won’t hesitate to show you their culture and to find out about yours! You’ll definitely love the Fika culture and will love to have Fika with your new friends by the lake. It is definitely something I will be taking home with me! JU is so understanding towards exchange students and will want you to make the most of your stay by organizing trips around Scandinavia. You’ll make great friends and discover beautiful places.

WOULD YOU RECOMMEND EXCHANGE STUDIES TO OTHER STUDENTS?
I would definitely recommend going on exchange to anyone as it’s a great experience, especially to JU. You’ll not only love meeting both Swedish and international people, that will become friends for a lifetime. You will come home a different person that is for sure.

WHY DID YOU CHOOSE TO GO ON EXCHANGE?
I knew that I wanted to experience nursing practice in another country and that by doing an exchange I would be able to gain a significant amount of knowledge, skill and technique that I would be able to bring home to Australia. I also love travelling and this was the perfect opportunity to broaden my horizons, meet new people of different nationalities and flourish as an individual.

WHAT IS THE BEST THING ABOUT JÖNKÖPING UNIVERSITY?
The student life is amazing, with plenty of events for both regular and exchange students. The Kick-Off week was lots of fun and the festival at the end was definitely the highlight for me.

WHAT IS YOUR FAVOURITE MEMORY?
Swimming in the lake with my friends, plus all my travel adventures!

WOULD YOU RECOMMEND EXCHANGE STUDIES TO OTHER STUDENTS?
Personally, nursing and caring for people is my passion – so being able to continue studying my passion overseas is something I will cherish forever. I would highly recommend doing an exchange to all students – it’s an incredible opportunity to gain independence and get a different perspective on your studies and future career.
