## Type of instruction

The teaching consists of lectures, seminars and exercises performed individually or in group. The course uses a digital learning platform.

Students who have been admitted to and registered on a course have the right to receive tuition/supervision for the duration of the time period specified for the particular course to which they were accepted. After that, the right to receive tuition/supversion expires.

The teaching is conducted in English.

### **Prerequisites**

General requirements and 30 credits from the first semester of Teacher Education (Educational Science Core) or in equivalent courses. Fluency in English equivalent to at least 575 (paper based), 90 (internet based) TOEFL score. Exemption is granted from the requirement in Swedish

# **Examination and grades**

The course is graded Fail (U), Pass (G) or Pass with Distinction (VG).

The examination is based on tuition and course literature.

The student is examined on all intended Learning outcomes, the final grade is a compound measure on student performances.

The student is assessed by verbal and written examinations, a short academic paper and compulsory tasks. To obtain the grade Pass all examinations must be graded Pass and compulsory tasks must be carried out. In addition, to obtain the grade Pass with Distinction the academic paper and the individual reflections must be assessed Pass with Dinstinction according to the learning outcomes and the student must have shown high participation in the exercises.

The examination must allow for students to be assessed on an individual basis. Students may not make a second attempt at any examination (or element of examination) already passed in order to receive a higher grade. Further information concerning assessment and grading criteria is provided (in a study guide) at course start.

If a student has failed the same examination three times, the student is entitled to request that the next examination is assessed and graded by a new examiner if possible. Such a request should be addressed to the Dean[ and be in writing.

If the contents and/or literature of the course is changed, examination according to the present course syllabus shall be offered during one year after the change. Students are guaranteed a minimum of three examination occasions, including the regular occasion. After that, examination according to the present course syllabus is granted on a case-by-case basis.

Should the course be terminated, examination shall be offered for two years after the final course occasion. Thereafter, examination is granted on a case-by-case basis.

For international guest students the grades are transformed to ECTS grades in accordance with the Bologna Agreement.

Further instruction on course outline, examinations and grading will be handed out when the course

starts.

### Registration of examination:

Name of the Test	Value	Grading
Examination	7.5 credits	U/G/VG

### **Course evaluation**

The course is evaluated in accordance with university policy at the end of the course.

### Other information

Swedish syllabus is available.

### **Course literature**
