1. What is Erasmus+?

Erasmus+ is an EU programme with the aim to boost skills and employability as well as to modernise education, training and youth work. The programme provides opportunities for over 4 million participants in Europe to study, train and gain experience abroad. As a student registered at Jönköping University, you have the possibility to study for 2-12 months at one of our Erasmus+ partner universities. All students that are selected and nominated as Erasmus students can apply for an Erasmus+ scholarship for studies. The scholarship is an EU funded financial support to help you cover additional costs related to your mobility abroad.

1.1. Scholarship grant

The scholarship amount is based on the length of your exchange period (number of days) and receiving country. Currently, the scholarship amount is between 400-510 € per month.

1.2. Participating countries

The member states of the European Union, North Macedonia, Iceland, Liechtenstein, Norway, Turkey and Serbia can fully take part in the Erasmus+ mobility programme. Switzerland is not a part of Erasmus+.

1.3. Green Erasmus

Get extra money when travelling green! Erasmus+ offers students who choose a more **environmentally friendly mode of transportation** (train & bus) for the majority of their journey a single contribution of **50€** as a top-up amount to the individual support!

What you need to do:

Send in your travel receipt / ticket via the [Case Management System](#) (choose "outgoing exchange").

2. Supportive documents

There are two important documents you need to fill out before going abroad – the Learning Agreement and the Grant Agreement. The next pages will explain how to fill out the two Agreement properly. Please read through this carefully to avoid a longer reviewing process from our side.

2.1. Learning Agreement

The Learning Agreement is an Agreement between the student, Jönköping University and the host university and needs to be signed by all three parties. Please make sure that all your courses have been approved in IntApps before filling out the Agreement.
