Prerequisites

To be eligible for the course the student is required to have the equivalent of

- 30 higher education credits in Learning 1 as well as in a subject area of 60 higher education credits or in equivalent courses. If this course is taken immediately after the first subject area course the subject area course must be completed and the first semester in the subject area course both completed and approved.
- Good knowledge of written and spoken English (course language). For international non -native English speaking students a TEFL certificate is required

Examination and grades

The course is graded Fail (U), Pass (G) or Pass with Distinction (VG).

For international students the

Swedish grading scale will be transferred to ECTS (European Credit Transfer and Accumulation System).

The student is graded after Intercultural Encounters. The grades are based on continuous assessment of the active participation in discussions and group work as well as on written and verbal assignments.

As learning in the course is regarded as an interactive process together with peers the course activities are mandatory. This means that student's absence from the studies has to be made up for after individual inquiry in negotiation with course coordinator. Course coordinator is responsible for examination and grading.

The grade is translated to the ECTS grading scale (A, B, C, D, E, Fx or F).

Registration of examination:

Name of the Test	Value	Grading
Examination ¹	7.5 credits	U/G/VG

¹ Determines the final grade of the course, which is issued only when all course units have been passed.

Course evaluation

The course will be evaluated according to directions in The Education Plan for the Teacher Education Programme

Other information

The course Intercultural Encounters is given within the Teacher Education Programme, General Education Area, Learning 2.

The aims of the course are to equip the students with theoretical and practical tools for personal and professional development of competences demanded for teaching in a multicultural and internationalised society. Such specific competences are the knowledge, skills and attitudes which are required to engage actively with people from other ethnic, cultural, religious and linguistic backgrounds.
