

# Going to Write Your Thesis?

**Come meet our companies**

*The IT-company Verendus had three programmers from JTH that helped them develop a system for the caravan industry. The thesis and the system were both very successful. Since then the three students work full time at Verendus.*

## **Thesis-Afterwork at Sajens 19 november 5 pm.**

**Welcome to meet up with companies that seek students that want to write their thesis at a company. You get to meet the representatives, mingle and have some light food and drinks.**

**The After Work is held at the Sajens restaurant at Science Park Jönköping on Tuesday 19th of November at 5 pm.**
