

IT Helpdesk Jönköping University Manual Created by hajo Modified 2023-09-08.

Reinstall Windows 11 by yourself

Your can reinstall Windows 11 by yourself. Before you do that, read through <u>https://ju.se/en/it-helpdesk/reinstallation-new-computer/important-when-reinstalling-the-computer.html</u> so that you are as well prepared as possible.

Open Software Center from the desktop in Windows 11

Click on **Operating systems**.

Select "1 – Windows 11 Education [...] "

😰 Software Center			— C	× נ
