Cancelling the JU Card

If your card has been cancelled it cannot be utilized for any of its intended functions — i.e. the cancellation has an impact on all functions. If you find your card after having cancelled it the card can only be reactivated by personally visiting the JU Card Office or via Self Service.

When obtaining a new card (after you have lost your card) you will be charged a fee of SEK 100 (students). The fee is paid at the University Library and you will be given your new card when presenting your receipt.
