

CeFEO INTERNSHIP

Open Call

The Centre for Family Entrepreneurship and Ownership (CeFEO) invite **JIBS Master Students** to be involved in activities coordinated by the Centre. The intern will support research, teaching and outreach initiatives carried out by the centre in coordination with the CeFEO's leadership team. The objective of the internship is to allow students to applying their theoretical skills in practical work concerning family business and ownership, as well as having a flavour of what is academic life at JIBS.

The applicant can indicate the interest for **7.5 or 15 credits** (corresponding to 180 or 360 working hours), and the up to two periods (A1, A2, S1, S2). The internship will not be remunerated. For applying, send an email to the contact below indicating period and number of credits, please include your CV and a cover letter. If you have any question, feel free to contact us!
