[Mac OS X](#)

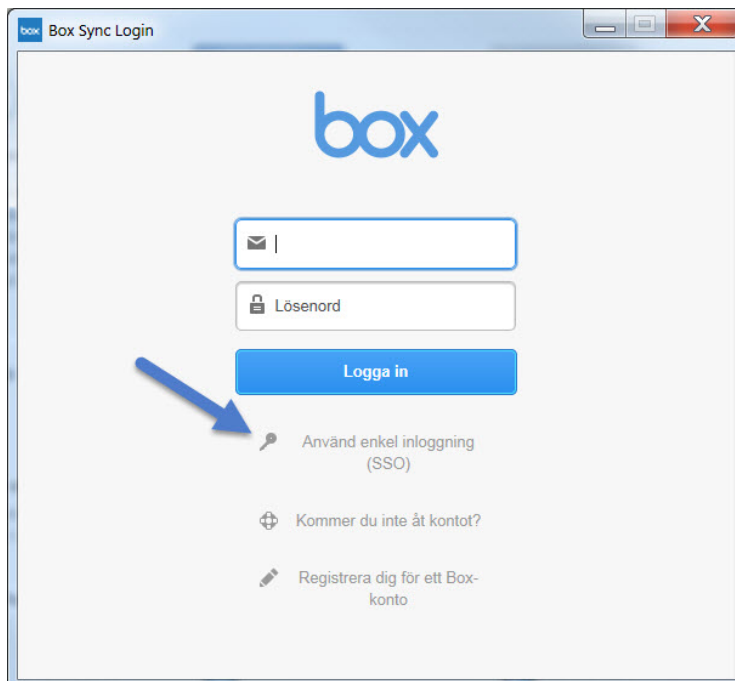

Need access to the Box Sync MSI installers?  
Download your version now:  
[MSI Installer for Windows 32 bit](#)  
[MSI Installer for Windows 64 bit](#)

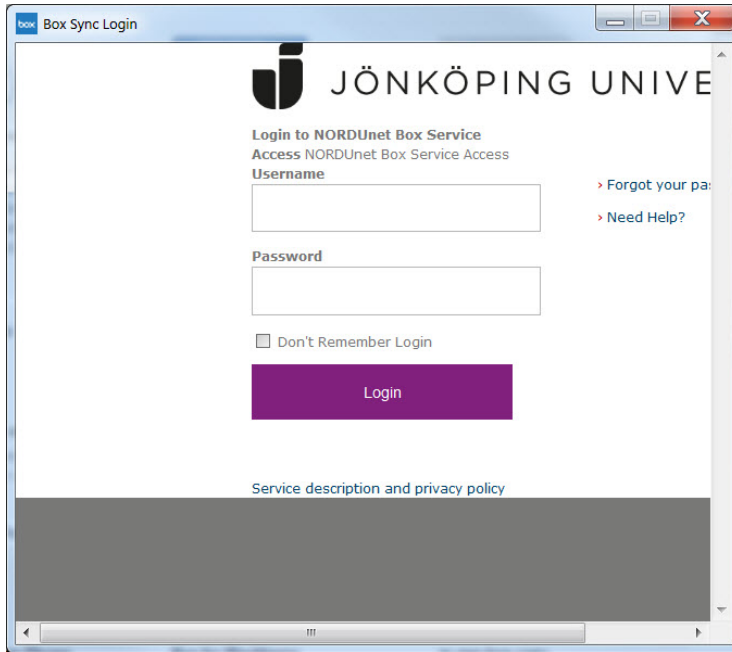

Agree to the license terms and click on the “Install” button. You will be prompted to enter your JU user name and password to install the software.

When the client software is installed, click on the “Launch” button. You will then be asked to login to Box.

Select “Use company credentials” and enter your complete JU email address.

Next, enter your JU user name and password and log in.

Click on "Start Syncing".
