JIBS Study Abroad Points

Effective as of: 2024-02-21

Basis for awarding points

Activity	Points awarded	Verification (students to submit)	Specification
Programme evaluation and development, including course evaluation and development.	10 / 20	Each Programme Director keeps track and confirms participation.	To obtain points the student must have been actively contributing. Points can vary depending on the period of contribution (semester/full year) and the level of activity.
National / international accreditation work and continuous improvement of JIBS education overall.	5 - 20	Faculty-signed confirmation of participation *and* estimated time devoted	*Unpaid* support to JIBS education and/or research organization related to national and international reviews. For example, taking part in preparation for and during a single review team meeting (1 point). Writing student reports, supporting administration related to a visit, working with the DQA for a shorter or longer period of time (2-4 points depending on assignment).
Engagement in organizations, events, or activities clearly supporting JIBS' mission and/or guiding principles. Including participation competitions and projects at other business schools or universities.	5 - 30	Description of the activities undertaken, relation to JIBS faculty, estimate of time devoted, and elaboration of contribution of activity to JIBS strategy.	Being the founder of and/or taking responsibility via particular roles or committees in organizations, events, or activities, or related to JIBS mission or GP. Maximum points implies several days spent on the assignment. Points can be awarded even if JIBS has financially supported the activity. Points cannot be awarded to salaried activities.

At the moment of this decision, the maximum number of points a student can be awarded for extra-curricular activities is **80**, including points from the above activities (awarded by JIBS Programme Directors) and points awarded from JSA (separate process, not indicated in the table above).
