

JÖNKÖPING UNIVERSITY
School of Health and Welfare

Welcome to the Master of science programme in Occupational therapy

We have the pleasure to welcome you to the *Master of Science with a Major in Occupational Therapy (60 or 120 credits)* programme at School of Health and Welfare at Jönköping University. You will be studying towards a *Master of Science with a Major in Occupational Therapy (60 or 120 credits)*. More information about your programme and courses can be found at <http://ju.se/en/study-at-ju/our-programmes/master/occupational-therapy.html>

Further academic questions concerning the programme will be handled by your programme manager through e-mail; sofi.fristedt@ju.se The programme is web-based using a web-platform called Ping-Pong and online meetings in real time over Adobe Connect. You will get all information needed to login to our website in due time before course/programme start.

Once you have registered online and been able to enter Ping-Pong you will be able to access the first course (Theory of science and scientific method) using this key HTSR25A1835. Please, observe that the course will not be visible until the two weeks before course start. We will also use Adobe Connect to meet virtually in real time. You will find the syllabus for the first course through this webpage link: http://kursinfoweb.hj.se/course_syllabuses/HTSR25.pdf?revision=3,000

If you for some reason do not want to start the programme. Please, let us know as soon as possible, so we can offer you place to another student. The academic year 2018/19 starts on August, 2018 and runs until June, 2019.

We will hold a compulsory course introduction using Adobe connect the 27 th of August at 15:00 CEST. You will be able to attend this meeting through this link; https://connect.sunet.se/master_ot/ More information on how to use Adobe connect is available here: <http://ju.se/en/it-helpdesk/faq---manuals/programs/adobe-connect.html> Please, read the information in the link and test your equipment before course start. We strongly recommend that you use a headset with USB-connection for the Adobe sessions.

Yours sincerely,

Sofi Fristedt

Programme coordinator
