INTRODUCTION WEEK

August 19 to August 25, 2019

The introduction week is compulsory for all exchange students attending Jönköping University. You will be introduced to Jönköping University, receive important information about your studies and have the opportunity to take part in social activities organized by the Student Union.

Jönköping University

We build an international university in Jönköping.

We attract highly qualified, inventive and enterprising people from all around the world.

We contribute to sustainable prosperity in the region where we reside, making way for knowledge based innovation and enterprise.
