Dear participant in the course

## *Swedish Language, Culture and Society 1!*

(Course codes:LS1G15, JSAG13 & TS1G15)

On **Thursday 26 August 2021**, you're welcome to an **introductory meeting** to the course '*Swedish Language, Culture and Society 1*'. It will be streamed on Zoom at **13.00-14.00**. This is the link:

<https://ju-se.zoom.us/j/7379582461>

There will also be a recording of the introduction available on Canvas from **14.00 on 26 August** in the room for '*Swedish Language, Culture and Society 1*', if you cannot participate at the meeting when it takes place. You must be registered in Ladok before you get access to the room in Canvas, so make sure you register as soon as possible (you can do it before the introductory meeting). **After you have registered** in Canvas and **after the introductory meeting** you can also choose which group you will belong to in Canvas so that it fits your schedule. If you are not registered for the course, you will not be able to register for the exam, nor will you be able to get credits for the course.

At the live-streamed introductory meeting (or the recording), you will receive information about the contents, the literature, the working methods and the requirements of the course.

The language lessons will be held **on Campus**, but the course introduction and the culture lectures will be **digital**.

**The course book can be bought online (amazon.de, amazon.co.uk, adlibris.se, bokus.se). There are also a few copies in the library. Try to get the course book before the start of the course.**
