

# Write your Thesis

IMPROVE - IT & Technology - Jönköping, Malmö

If you're waiting for a sign. This is it!

Time to write your master thesis? How exciting! If you choose to do your thesis with us, you will have the opportunity to use your theoretical knowledge in our reality. We are looking for students with new ideas and creative thinking who wants to write their thesis in an agile environment.

We have three focus areas:

- GROW – Digital marketing, eCommerce, Inbound sales, Social Media Marketing etc.
- IMPROVE – consultant services, project management within IT and digitalization and specialized IT knowledge
- CHANGE – change management and leadership development within digitalization

Feel free to pitch your idea to us and we will get in touch shortly!

*TeQflo Group implements Digitalization in organizations. We combine change management and tech, creating superior value for our customers. We are currently 11 employees located in Malmö and Jönköping, but are to expand within Sweden and internationally.*
