

KURSPLAN

Research Methods 1 in Global Studies, 7,5 högskolepoäng

Research Methods 1 in Global Studies, 7.5 credits

Kurskod:	LR1S23	Utbildningsnivå:	Avancerad nivå
Fastställd av:	Utbildningschef 2021-10-12	Utbildningsområde:	Samhällsvetenskapliga området
Gäller fr.o.m.:	Våren 2023	Ämnesgrupp:	SA9
Version:	1	Fördjupning:	A1F
		Huvudområde:	Globala studier

Lärandemål

On completion of the course, the student should be able to:

Kunskap och förståelse

- describe different perspectives and traditions within the philosophy of science
- explain the applicability of qualitative and quantitative methods for global studies of sustainability and social change

Färdighet och förmåga

- analyse the relation between theory and methods in current research about sustainability and social change
- discuss appropriate research methods that can be applied in a first-year master thesis
- design and write a research plan for a first-year master's thesis

Värderingsförmåga och förhållningssätt

- critically reflect on the relationship between specific perspectives and traditions within the philosophy of science and specific methods used in research about sustainability and social change
- critically reflect on and discuss the strengths and limitations of specific methods for problems related to research about sustainability and social change
- critically assess ethical considerations and implications in research about sustainability and social change with a focus on the chosen field of research in the first-year master's thesis

Innehåll

- Philosophy of science
- Quantitative research methodology
- Qualitative research methodology
- Relationship between theory and method
- Research plan
- Research ethics

Undervisningsformer

The teaching consists of lectures, seminars and exercises performed individually and in groups.

A learning management system is used.

Students who have been admitted to and registered for a course have the right to receive instruction/supervision for the duration of the time period specified for the particular course instance to which they were accepted. After that, the right to receive instruction/supervision expires.

Undervisningen bedrivs på engelska.

Förkunskapskrav

At least 10 credits from the master's program in Global Studies: Sustainable Societies and Social Change, or equivalent. English proficiency is required.

Examination och betyg

Kursen bedöms med betygen A, B, C, D, E, FX eller F.

The grades A, B, C, D and E are all passing grades. For courses with more than one element of examination, students are given a final grade based on an overall assessment of all the elements included in the course.

The examination is based on the intended learning outcomes.

The course is examined through three seminars and an individual written assignment. For the three seminars only the grades of U/G (Fail/Pass) are given. The individual written assignment is graded with A/B/C/D/E/FX or F.

The examination must allow for students to be assessed on an individual basis. Further information concerning assessment of specific intended learning outcomes and grading criteria is provided at the beginning of the course.

To receive the final grade of the course, the three seminars and the individual written assignment must have been passed. The final grade of the course is determined by the grade given to the individual written assignment.

Students are guaranteed a minimum of three attempts to pass an examination, including the regular attempt.

If a student has failed the same examination three times, the student can request that the next attempt be graded by a new examiner. The decision to accept or reject such a request is made by the associate dean of education. A student may not make a second attempt at any examination already passed in order to receive a higher grade.

In case a course is terminated or significantly altered, examination according to the earlier syllabus shall be offered on at least two occasions in the course of one year after the termination/alteration.

Poängregistrering av examinationen för kursen sker enligt följande system:

Examinationsmoment	Omfattning	Betyg
Seminarium 1 [†]	1,5 hp	U/G
Seminarium 2 [†]	1 hp	U/G
Seminarium 3 [†]	1 hp	U/G
Individuell skriftlig inlämningsuppgift	4 hp	A/B/C/D/E/FX/F

[†] The seminar is graded U (Fail) or G (Pass).

Kursvärdering

The instruction is followed up throughout the course. A course evaluation is conducted at the end of the course. A summary and comments are published in the learning management system. The evaluation constitutes a basis for future improvements to the course.
